

Bald Eagle Category

Criteria for entry:

- Must be 55 years old or over on the day of the contest

The format:

Should facilitate minimum preparation time (for the pilot) thereby maximising mentoring time on the day:

- Only one Free sequence, flown twice at regionals/three times at nationals
- Best flight only to count.

The sequence:

It should be possible to design the sequence so that, for an Unlimited pilot:

- It is easy on the body (compared to legacy Unlimited)
- It can be flown in an Extra 300L or similar on the high veldt

The rules:

The rules governing the design of the sequence are proposed as follows:

1. Maximum 380K
2. 10 figures
3. No repetitions of catalogue reference numbers
4. At least one spin
5. At least three flick rolls
 - a. At least one of which must be vertical up
 - b. At least one of which must be negative
